

## Completion of the Installation of 350 Tonnes Per Hour Crushing System

---

*The Company refers to the announcements dated 9 July 2014 and 11 August 2014 in relation to the installation of crushing system.*

The board of directors of CNMC Goldmine Holdings Limited (the “Company”) is delighted to update that the installation of a 350 tonnes per hour crushing system has been completed. The Company is currently conducting trial runs of the crushing system. When fully commissioned, this new crushing system is expected to enhance the current gold production process.
