CNMC to Participate in 8th Scaling New Heights-Asia Investment Forum in Shenzhen, PRC

- **CNMC is one of the eight SGX-listed companies that will be participating in this Investment Forum**
- **Expects to meet with fund managers, investors from Hong Kong and China**

SINGAPORE, 30 June 2016 – CNMC Goldmine Holdings Limited (“CNMC” or the “Company”, and together with its subsidiaries, “the Group”) is pleased to announce its participation in the 8th Scaling New Heights-Asia Investment Forum 2016.

The event is co-organized by Financial PR (HK) Limited, Merlion Communications Limited and Asia Fund Space Limited, and will be held on 8th July 2016 at Grand Hyatt Hotel, Shenzhen, People’s Republic of China (“PRC”). 30 listed companies from the PRC, Hong Kong and Singapore will be participating. The Forum expects to attract more than 100 fund managers from Greater China to attend.

Mr. Chris Lim, CNMC’s Chief Executive Officer, said; “We are pleased to have this opportunity to present to PRC investors. The gold mining industry in China is well documented and institutional investors in China and Hong Kong are familiar with this industry. I believe these investors will be able to comprehend the potentials in CNMC.”

Mr. Mark Lee, Managing Director of Asia Fund Space commented, “This is our 8th Investment Forum in China and we certainly look forward to more Singapore-listed companies participating. The growing influence of Chinese investors means that Singapore-listed companies cannot afford to sit in Singapore and hope that PRC investors know their values. The companies have to be proactive in coming to China to engage PRC fund managers. We have successful case studies with other Singapore-listed companies who have attracted the attention of PRC investors when they presented at our previous Investment Conferences.”

**About CNMC Goldmine Holdings Limited
(Bloomberg: CNMC:SP; Reuters: CNMC.SI)**

CNMC Goldmine Holdings Limited (“CNMC” or “the Company”) is the first Catalyst-listed gold mining company on the Singapore Exchange Securities Trading Limited (the “SGX-ST”).

Headquartered in Singapore, the Company and its subsidiaries (the “Group”) started operations in 2006 and are principally engaged in the exploration and mining of gold and the processing of mined ore into gold dores.

The Company is currently focused on developing the Sokor Gold Field Project, located in the State of Kelantan, Malaysia. Spanning an area of 10km², the project has identified four gold deposit regions, namely Manson’s Lode, New Discovery, Sg. Ketubong and Rixen.

As of December 2015, the Sokor Gold Field Project had JORC-compliant gold resources (inclusive of ore reserves) of 13.83 million tonnes at a grade of 1.4 g/t in the Measured, Indicated and Inferred categories for a total of 618,000 ounces. The project achieved its first gold pour on July 21, 2010.
